About the activity: An Expert Lecture on "*INDUSTRY EXPOSURE WITH ADVANCE WEB DESIGNING & CAREER GUIDANCE*" was conducted wherein total 85 students from Computer Engineering department were taken part in the session. This was a platform for the young IT aspirants to showcase their talents in Android technology. The session was dedicated at guiding students in making better career choices in all domains of their interest including web designing tools and techniques and also gives to them the information of the possible upcoming opportunities in both the government and the private sector. The speaker has rich experience of both industry and academics and the words of guidance proved to be the master stroke for many students. He explained in detail the important concepts like HTML, CSS, Wordpress, Bootstrap, dream Viewer for designing in a better way. The session was highly informative and motivating. The speaker engaged the students in continuous one on one discussion which made it even more interesting. The speaker also answered lots of queries of the audience. A brief introduction about the Expert was given by Assi. Prof. Ruchita Joshi at the start of the event and finally the session was concluded with vote of Thanks given by Assi. Prof. Lajja Vyas. The session got its concluding remarks by Prof. Vijaykumar Gadhavi with a token of appreciation.
